

Joulukka

Feel the spirit and heart of Finnish sauna

Joulukka is a unique place in the middle of the deep forest. Idyllic buildings and mystical atmosphere welcomes visitors from all over the world. Joulukka lays in the middle of the forest next to the beautiful Lake Sieri, though only a 20-minute ride away from the centre of Rovaniemi. Location and the beautiful lake scenery will give you a visit that you will certainly remember.

Joulukka

Sauna is the core of the Finnish lifestyle and spirit. When you throw water on the hot stones, stones release steam, the spirits of the stones. And warm steam has been said to be one of the foundation that will give magical powers called SISU. And with Sisu a Finn will succeed in almost everything.

Joulukka wants to honour great traditions of the Finnish culture and provides extraordinary Sauna experience to those all who wants to find the spirit.
