## Description of research interests:

Uusiautti has a long career as a researcher of the phenomenon of success, flourishing, and positive development in various phases and areas of life, especially at work, which has been acknowledged with personal research grants and awards. She has published about 280 peer-reviewed scientific articles and 20 academic books, and is a popular lecturer and keynote speaker at various national and international academic and professional seminars. Uusiautti's latest edited publications include *Human Migration in the Arctic* (2019, Palgrave MacMillan, eds. S. Uusiautti & N. Yeasmin) and *The Basics of Caring Research* (2016, Sense Publishers, eds. S. Uusiautti & K. Määttä). Her latest monographs are *The Psychology of Study Success in Universities* (2018, Routledge; chosen for the Web of Science Citation Index in 2019); *Tunnista vahvuutesi ja menesty* [Recognize Your Strengths and Succeed] (2019, Kirjapaja); *Menestyvä ja hyvinvoiva yritys positiivisen psykologian valossa. Yritysjohdon ja työntekijöiden näkemyksiä menestyksestä* [Successful and Thriving Enterprise in the Light of Positive Psychology. Leaders' and Employees' Perceptions of Success] (2015, BoD); and *The Psychology of Becoming a Successful Worker: Research on the Changing Nature of Achievement at Work* (2015, Routledge).
