

# GUIDELINES FOR THE FULL PAPERS:

- The max. length of the article is 20 pages (including abstract, figures, tables, references)
- The author(s) ensures that the layout and spelling follow the given instructions
- The recommended font is Times New Roman, size 12, in titles bold size 12
- Use spacing 1,5 and leave an empty space between the paragraphs
- Add the name of the author(s), affiliation(s) and the corresponding author's e-mail address after the main title
- In references, use the style of APA 6 (American Psychological Association)
- Do not use hyphenation or any special formatting in the text
- Do not add notices in the end of sentences or paragraphs
- Keep the figures and tables as small as possible
- The author(s) is responsible for taking care of the copyrights.

You can use the frame presented here:

- Main title (max. 10 words), author(s) information after the main title
- Abstract (max 200 words) and key words (4-6 key words)
- Introduction, including the aim and the main findings of the research
- Theoretical background including the main concepts and appropriate previous researches
- Methodological choices with the argumentation (description of the data, how it was sampled, the analysis process, and considering about the ethical issues and reliability)
- Findings
- Discussion and conclusion
- References

Send the full paper to evaluation by 31 August, 2021 in a Word-format (.doc, .docx or .rtf) to [ykts2021@ulapland.fi](mailto:ykts2021@ulapland.fi).

*Name the file* by writing the corresponding author's surname, first name, and the abbreviation of the conference (as an example: Hietanen\_Lenita\_YKTS2021)

*Name the e-mail* with the name of the corresponding author and the main title of the article.
