

Cultural Awareness Learning Materials

Merja Paksuniemi
Pigga Keskitalo
Minna Körkkö

*Sub-project of the
University of Lapland*

PUPIL

- pupil-centredness: Reflective, place-based, contextual, critical and phenomenon-based learning; up-to-date and functional learning material

TEACHER

- assessment tools to be used: cultural and linguistic tools for learning material assessment
- providing language and cultural aware, inclusive, and phenomenon-based materials to promote learning

SCHOOL

- cultural sensitivity is the basis for inclusion
- guidance and mentoring need to be available
- topics need to be discussed at schools

TEACHER EDUCATION

- producing language and cultural aware, inclusive and phenomenon-based materials and assessments for education
- promoting critical thinking

*Project partners: University of Jyväskylä, University of Lapland,
University of Oulu, University of Tampere. The project is
Funded by the Finnish National Agency for Education.*
