# Guidelines on getting started with E-LOCAL language courses

Go to www.ulapland.fi/elocal

- ➢ Click the link to the Learning Environment (right-hand side of the page)
- ➢ On the front page of the Learning Environment, click *Login*
- ➢ Then click the button *Create new account*
- ➢ Fill in the necessary information and click the button *Create my new account*
- ➢ You will receive a confirmation e-mail about your credentials

Then, you can enter the Learning Environment:
- ➢ After logging in, choose *Courses*
- ➢ In the *Courses* section, choose *e-local* (the list is in alphabetical order)
  - • the password is yliopisto
- ➢ Choose the language you want to learn and start studying

You can also join the E-LOCAL Facebook group at www.facebook.com/groups/elocalforall/.

If you encounter problems in the Learning Environment, please contact the E-LOCAL team at elocal@ulapland.fi.
