

# LUC Access Keycardin siirto puhelimesta toiseen

How to transfer the LUC Access Keycard  
from one phone to another

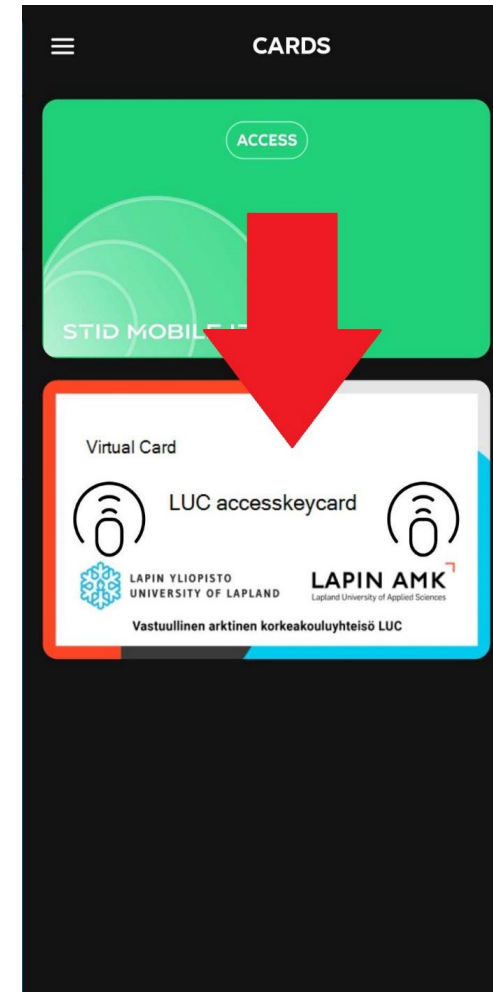

Päivitetty / Updated 27.8.2024

# Siirto / Transfer (1/4)

**Avaa STid Mobile ID -sovellus  
puhelimessasi ja valitse LUC Access  
keycard klikkaamalla sitä.**

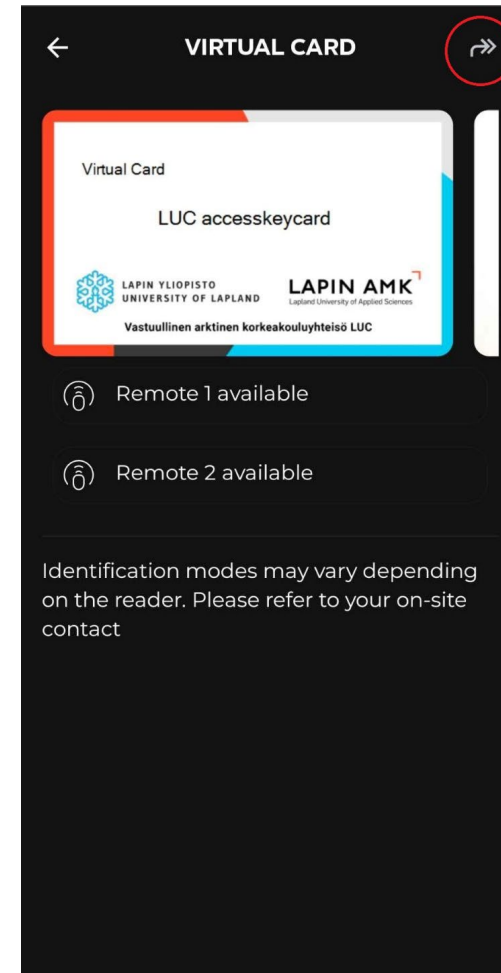

Open the STid Mobile ID application on  
your phone and choose the LUC Access  
keycard by clicking it.

# Siirto / Transfer (2/4)

Klikkaa oikeassa yläkulmassa näkyvää nuolta.

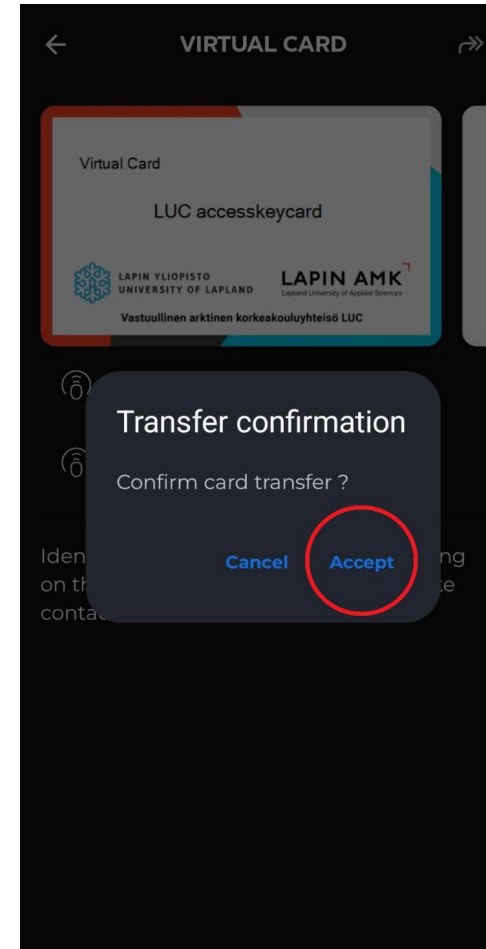

Click the arrow in the top right corner.

# Siirto / Transfer (3/4)

Vahvista siirto valitsemalla "Accept".

Confirm the transfer by selecting  
"Accept".

# Siirto / Transfer (4/4)

**Siirron jälkeen LUC Access keycard katoaa sovelluksesta, ja saat sähköpostiisi uuden aktivointilinkin. LUC access keycard voidaan nyt aktivoida uudelleen toisella puhelimella sähköpostiviestin ohjeita noudattaen.**

After the transfer has been completed, the LUC Access keycard will disappear from the application, and you will receive a new activation link to your email. The LUC access keycard can now be activated on another phone by following the instructions in the email.
