Portfolio Instructions

Applicants to the Faculty of Art and Design are required to submit a portfolio by attaching it into SoleMOVE application as a PDF-file or as a link to the online portfolio (webpage).

The portfolio consists of course works, design projects and artistic design activities (5-10 samples) in the field of study you are applying to, i.e. if applying to industrial design studies, then the portfolio should be on industrial design projects.

All design course works or projects should include the following information:

- course or project name (eg. course description, design brief)
- a short description of the course´s or project's content and purpose
- method of realization
- the production year
- tutors name (preferred).

At least one of the presented samples must be accompanied with a presentation of the entire development process from draft (or sketch) to the final product.
