

30 Nov–1 Dec 2017 | ROVANIEMI

FERA Conference on Education 2017

13. Kulttuurinen moninaisuus kasvatuksessa/Cultural plurality in education chair Partow Izadi, University of Lapland

In the workshop the problematique of cultural diversity and the related pluralism will be discussed, as well as those new civic skills that are necessary for the ongoing globalization to be both sustainable and inclusive. The workshop will reflect, among other things, which kinds of shared ethical principles and values would be necessary on the global lever, and what kind, on the other hand, would be essential to keep diverse and culture-dependent. The workshop will meet on Fr 1 December.
