

Write the name of your presentation at the top of the abstract using Times New Roman, bold size 14.

The author's name and organization in Times New Roman, normal size 14

The abstract text must be written in English: about 200 words, Times New Roman, normal size 12, single spacing, 3 cm marginal on every side. Save your text in word or rtf-format and name it by the author's last name, for example smith.doc or smith.rtf. Send the abstract to the conference e-mail address isatt@ulapland.fi by 15 April 2008. State clearly the corresponding author for the abstract and all his/her contact information. The notification of acceptance will be sent to the corresponding author by 30 April 2008. Papers will be divided into theme groups based on the abstracts. The accepted abstracts will be published in an abstract book, which will be included in the symposium material given to the participants of the ISATT 2008 Symposium.

Add at the end of the text:

- 3-5 keywords
- your preference for the presentation type: Oral, Poster, Either
