INSTITUTIONAL DEVELOPMENT

“Experiences of individual grantees contribute to institutional development: host universities benefit academically from exchange of experience and good practises in pedagogy and research. In addition, host and home universities receive new ideas on how to broaden the curricula and courses offered for students.”

STAFF EXCHANGE

- **Exchange of best practices**
- **Transfer of knowledge**
- **Professional development**
- **Basis for institutional collaboration**

CONSTRUCTED CONSORTIA

- **Condition for sustainability**
- **Meeting ground for academics**
- **Consortium as dissemination platform for knowledge**
- **Recruit of specialists**
