Instructions for Poster Presentations

What size should my poster be?

Size of the poster board is 95 x 160 cm so your poster should be max this size or smaller. Poster orientation must be vertical / portrait. Make sure that the content (text and pictures) of the poster is clear and easily readable.

When can I hang my poster?

The posters will be placed at the end of the main corridor (glass tube) in Arktikum. Posters will be on display during the whole event. Please hang your poster as soon as you have arrived at the conference venue on Monday 20 October. The organizer will provide pins for hanging the poster. Poster board will be marked with poster numbers.

How is the poster sessions organized?

Poster sessions will be organized in connection with coffee breaks. Presentation/discussion time for each poster is ca. 3 minutes:

- Session 1 is on Monday 20 October at 14:20 – 15:00 – Posters P1 – P10.
Session chair: Birgitta Åhman
- Session 2 is on Tuesday 21 October at 10:05 – 10:35 – Posters P11 – P16.
Session chair: Päivi Soppela
- Session 3 is on Tuesday 21 October at 15:10 – 15:40. There are no chaired presentations in this session, but presenters are expected to be by their posters

There will be no separate table for handouts, laptops or extra materials, so only take items you can carry with you.

Is my poster presented somewhere in the conference material?

All accepted oral and poster abstracts are included in the programme and abstract book handed out in the conference bag.
